EDUCATION

UNIVERSITY OF CALIFORNIA, SANTA BARBARA

Santa Barbara, CA

Bachelor of Science, Major in Statistics and Data Science

Sep 2020 – Jun 2024

Awards & Extracurriculars: Hispanic Scholarship Fund Scholar (2023), UCSB Data Science Club (Member)

Relevant Coursework: Big Data Analytics, Data Science Concepts & Analysis, Statistical Data Science

PROFESSIONAL EXPERIENCE

SPARK INTERN - FINANCE

San Bernardino, CA

San Bernardino County (Human Services - Administration)

June 2026 – July 2026

- Processed and reconciled 550+ fleet vehicle credit card transactions utilizing Excel, ensuring proper expense classification and adherence to internal financial controls
- Leveraged SAP program to enter, track, and manage vendor invoices and Accounts Payable transactions
- Monitored departmental expenditures and Accounts Payable workflows through SAP and Excel tracking tools (Flash Fill, VLOOKUP, and Conditional Formatting), contributing to budget control and variance analysis

INDEPENDENT CONSULTANT

Remote

Parker Dewey

Jan 2025 – Apr 2025

- Performed document data extraction and transformation from 200+ large-scale private PDF files utilizing Excel (Conditional Formatting, INDEX-MATCH, Pivot Tables, and SUMIF) during two short-term projects with financial technology startups based in Bend, Oregon and Chicago, Illinois
- Delivered high-quality financial and operational data outputs to support client analysis initiatives while complying with strict privacy protocols, meeting all project goals within 30-50-hour timeframes

STARS DATA COLLECTION AND ANALYSIS INTERN

Santa Barbara, CA

UCSB Sustainability Department

Jun 2023 – Jun 2024

- Compiled, managed, and analyzed 1000+ records on sustainability-focused courses, research, and programs in Excel (Pivot Tables, VLOOKUP, and Data Cleaning), supporting UCSB's STARS Gold rating achievement
- Collaborated cross-functionally with faculty, researchers, and administrators to streamline data collection and analysis, optimizing overall data processing
- Assisted in preparing accurate reports and summaries, ensuring data consistency and reliability to support internal tracking, performance evaluation, and STARS reporting requirements
- Recommended UCSB sustainability process improvements through trend analysis, contributing to measurable increases in resource efficiency

ACADEMIC PROJECTS & CERTIFICATIONS

RETAIL ANALYTICS - QUANTUM SIMULATION

June 2025

Forage

- Analyzed over 260,000 transaction records and 70,000 customer profiles utilizing Python (Pandas, NumPy, Matplotlib, Seaborn) to identify key sales drivers and customer behavior trends
- Performed independent t-tests to assess significant differences in customer purchasing patterns and price reactions
- Conducted brand and pack-size affinity analysis to identify a 27% higher purchase likelihood for select products among key customer segments

SKILLS

Hard Skills: Advanced Excel, Database Management, Data Analysis, Data Reporting, Process Improvements

Programming Languages: R, Python (Pandas, NumPy, Matplotlib, Seaborn), SQL, SAS

Soft Skills: Communication Skills, Problem-solving abilities, Leadership qualities, Adaptability, Willingness to learn

Tools & Platforms: Google Sheets, Microsoft 365 (Outlook, PowerPoint, Word), MySQL, Power BI, SAP, Tableau
